The provision and use of Maintenance Services is governed by the Licensor's policies and programs described in the online documentation. Any supplemental software code provided to Licensee as part of the Maintenance Services shall be considered part of the Software and subject to the terms and conditions of this License. WITHOUT LIMITING THE GENERALITY OF THE PRECEDING SENTENCE, IN NO EVENT WILL PREEMPTIVE OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF PREEMPTIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

12. Termination. Licensee may terminate this License by either returning the Software to PreEmptive or destroying the Software (in which event, Licensee shall certify in writing to PreEmptive that such destruction has occurred). This License will terminate immediately without notice from PreEmptive if a) Licensee fails to comply with any provision of this License or b) for Subscription agreements, Licensee does not contract for renewal and make payment for the same. Licensee agrees to be identified as a customer of PreEmptive and Licensee agrees that PreEmptive may refer to Licensee by name, trade name, and trademark, if applicable, and may briefly describe Licensee's business in PreEmptive's marketing materials and web site. Licensee hereby grants PreEmptive a license to use Licensee's name and any of Licensee's trade names and trademarks solely in connection with the rights granted to PreEmptive pursuant to this marketing section.
15. U.S. Government Restricted Rights. The Software and Documentation are provided as "Commercial Computer Software" or "restricted computer software". Use, duplication, or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in 48.C.F.R. 18. Audit. During the term of this License and for three (3) years after termination or expiration, Licensee will maintain complete records regarding Licensee's use and distribution of the Software. Upon reasonable notice to Licensee, PreEmptive may audit, at PreEmptive's expense, Licensee's books and records to determine Licensee's compliance hereunder. In the event any such audit reveals that Licensee has underpaid PreEmptive by an amount greater than five percent (5%) of the amounts due PreEmptive in the period being audited, or that Licensee has knowingly breached any obligation hereunder, then, in addition to such other remedies as PreEmptive may have, Licensee shall pay or reimburse to PreEmptive for the cost of the audit. Licensee also agrees to report on a semiannual basis the number of users of the Software as well as the number of developers included in the respective groups.
19. Severability. If any of the above provisions are held to be in violation of applicable law, void, or unenforceable in any jurisdiction, then such provisions are herewith waived to the extent necessary for the License to be otherwise enforceable in such jurisdiction. However, if in Licensor's opinion deletion of any provisions of the License by operation of this paragraph unreasonably compromises the rights or increase the liabilities of Licensor or its licensors, Licensor reserves the right to terminate the License and refund the fee paid by Licensee, if any, and such refund shall be Licensee's sole and exclusive remedy.
20. No Waiver. No waiver by Licensor of any breach of any provision of this License shall be elective unless in writing signed by Licensor. No waiver shall constitute a continuing waiver unless expressly provided in the writing signed by Licensor.

28. Customer Data. PreEmptive does not own any data, information or material that Licensee submits or causes to be submitted to the Services ("Customer Data"). Licensee, not PreEmptive, is solely responsible for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all Customer Data and will secure and maintain all rights in Customer Data necessary for PreEmptive to provide the Services without violating the rights of any third party. Licensee will obtain any necessary consent from End Users or others whose personal information or other data will be hosted using the Services. PreEmptive shall not be responsible or liable for the deletion, correction, destruction, damage, loss or failure to store any Customer Data.

29. PreEmptive Use of Customer Data. PreEmptive will treat Customer Data in accordance with its Privacy Statement. PreEmptive is a data processor (or sub-processor) acting on Licensee's behalf to provide the Services. PreEmptive will use Customer Data only to provide the Services. This use may include troubleshooting to prevent, find, and fix problems with the operation of the Services. PreEmptive will not use Customer Data or

PreEmptive makes no representation, warranty or guaranty as to the reliability, timeliness, quality, suitability, availability, accuracy or completeness of the Services as a result of any changes. PreEmptive will establish transition timetables for major and minor releases, and generally provide 6 month's prior notice before requiring changes, unless security, legal, or system performance considerations require an expedited transition. At Licensee's request, PreEmptive will help identify services to assist in migration for changes of custom and standard configurations, and provide related fee estimates. Technical limitations may prevent successful migration or present a special risk that data will be lost during a migration.

31. Billing and Renewal. PreEmptive charges in advance for use of the Services. An authorized License Administrator may request additional services by completing an additional written Order Form. Added services will be coterminous with the preexisting License Term and the fee for the added services will be the then current, generally applicable services fee. Payments may be made annually during the Initial Term, or as otherwise agreed upon. Payment obligations are noncancelable and amounts paid are nonrefundable. Licensee agrees that PreEmptive may charge such unpaid fees to Licensee's credit card or otherwise bill Licensee for such unpaid fees. PreEmptive may charge a reconnection fee in the event Licensee are suspended and thereafter request access to the Service. This License will terminate if Licensee does not make a payment for the Service. Either party may terminate this License or reduce the number of licenses, effective only upon the expiration of the then current License Term, by notifying the other party in writing at least five business days prior to the beginning of the following term.

36. Indemnification.
